CLUB ANGLER OF THE YEAR

# 2015

**H**ere's your chance to get involved with THE BEST club angler series in the fishing calendar. The format changes made last year will remain.

The first of these allows each club to nominate TWO anglers to fish a qualifying round rather than just one!

The second change sees the Southern qualifier moved back to Gold Valley Lakes, Hampshire. And, lastly, we've moved the final back to the superb Barston Lakes big lake, in the West Midlands.

Once again Garbolino has pledged its generous support to allow club champions or nominated anglers to compete at the highest club level and be crowned as the best in the country!

There's over £10,000 worth of top tackle prizes and cash prizes to be won too! (All cash prizes subject to entry.) As ever there's a bespoke cut-glass trophy for the winner, who will also receive an invitation to fish the 2016 Drennan Knockout Cup competition, giving them the chance to lift that huge title too!

The qualifiers will run in the same

format as previous years, with three regional fish-offs. The first is at **Lindholme Lakes on Wednesday, April 22nd**, the second at **Tunnel Barn Farm on Wednesday, May 20th**, and the third at **Gold Valley Lakes on Wednesday, June 24th**.

The 45-peg final (15 from each qualifying round) will be held on **Wednesday, July 22nd, at Barston Lakes**, which not only offers superb fishing, but superb catering facilities too.

It's up to you and your club to decide which two anglers represent you in the regional fish-offs. Perhaps the two most consistent anglers of the last year, or the winners of a series, or you may wish to hold a one-off qualifying match to see who gets the chance – the choice is yours.

## How To Enter

Entry to the competition this year is strictly via the [www.matchfishingmagazine.com](http://www.matchfishingmagazine.com) website ONLY. There is no postal entry option available.

All you need to do is log on to [www.matchfishingmagazine.com](http://www.matchfishingmagazine.com), where you will find the tickets for your chosen round available to purchase in the DHP Shop tab at the top of the website page. Select your qualifier from the drop-down menu and purchase your place at a cost of £30 per angler.

You may fish more than one qualifier if you wish, but they will need to be purchased on separate transactions via the website.

Deductions from the £30 entry money include peg fees and any other fishery expenses. All competitors must be club anglers and not regulars on the open circuit. If an angler is deemed to be of an open-match-standard level then they will not be eligible to fish the round and monies will not be refunded. The editor's decision is final and NO REFUNDS will be issued once a ticket has been purchased.

The exact qualification format for each round will be announced on the morning of the match.
