The success story of DHP, Match Fishing magazine is a title bucking all trends! Once again our circulation is up year-on-year, which is not only remarkable but means you're now reaching more consumers per square inch of page!

Match Fishing is much more than just a magazine nowadays, it is a multimedia brand that inspires the competitive angler!

We're inherently proud of the service and product we deliver to our customers whether it be via our printed magazine, dedicated website, app, YouTube, Facebook or Twitter avenues.

Every month our printed publication features the biggest stars and the latest trends, tactics and tackle releases, while our online portals are updated daily to keep viewers coming back for news, reviews, blogs and competitions.

Club-level anglers are our lifeblood, but we cater for all competitive disciplines across the entire spectrum of venues available to us in this modern era.

Our mission statement is simple – to deliver the latest information by the biggest names in the sport to improve any angler's ability at any level! And to you, our new and existing customers, we can help to grow your business in a professional, affordable, enjoyable way.

Match Fishing presents a unique opportunity to be heard, be seen, be noticed and be the best!

AERIAL FOOTAGE

Unforgettable aerial video for your fishery that reveals your waters and the surrounding area from a unique bird's-eye perspective. Using a state-of-the-art Phantom 2 Quadcopter carrying a compact GoPro camera, our expert pilot can shoot the footage from a variety of heights and angles to produce stunning, professionally edited videos of your fishery that really show it off to its maximum potential.

- Prices start from £300.00 depending on the complexity of the shoot required.

"We have utilised DHP TV for all of our DVD and web-clip work for the last couple of years. The results, in our opinion, have been excellent. Their technical know-how, speed of editing (correctly!) and DVD-reproduction timescales all make what can be a very testing operation appear relatively stress free!"
Joe Lowe, Sales & Marketing Manager Maver (UK) Ltd

"The BVG-Airflo Group has been using DHP TV for more than two years. I am delighted with the quality of the product and have found their service and prices to be the best in the business. I look forward to continuing working with Dean Rothery and the team at DHP TV for many years to come. Many thanks!"

Rob Williams, Managing Director Bvg-Airflo Group Ltd
